

The Rapid City Police Officers Activity League, is a 501(c)3 nonprofit organization dedicated to building relationships with youth by providing a positive environment in our community. Through various recreational activities, Rapid City PAL is working to connect youth and families with law enforcement personnel for the betterment of our community.

The flagship event of Rapid City PAL is Night Court – a series of 3-on-3 basketball tournaments for youth, in 6th through 9th grades, happening Thursday’s in Downtown Rapid City during Summer Nights. With the community’s support and through partnerships with great businesses like yours, we hope to ensure the continued success of this great program for years to come.
